

Gary Con XVII - Annual Charity Auction

Live Auction March 22nd

Benefitting: [Children's Wisconsin](#)

Providing healthcare and related services to children and families in need.

Dear Gary Con XVII Attendee,

We hope you're as excited as we are for another amazing Gary Con celebration! We are ready to gather in Lake Geneva once again, to game and create great adventures together. However, we need your help to continue the unparalleled success of the Gary Con Charity Auction.

In only six magical auction hours over the past two years—raising over \$50,000 each year—we have donated more than \$100,000 in total to Children's Wisconsin. That stunning amount of money is due to YOUR generous support. The majority of the items up for auction come from attendees, special guests, and exhibitors. We could not help this worthy charity without YOU, so we humbly ask that you comb through your treasure troves to find something special that you can donate to help heal sick kids.
